SPECIAL SECURITIES SELECTED FOR THEIR DYNAMIC POTENTIALS

A SOUND PROGRAM For 1952-53

For Protection — Income — Profit

There is no service more practical... more definite... more devoted to your interests than *The Forecast*. It will bring you weekly:

Three Investment Programs to meet your various aims... with definite advices of what and when to buy and when to sell:

Program 1—Top grade stocks for security and assured income of 6 to 7% with appreciation potentials.

Program 2—Special dynamic situations for substantial capital gains with large dividend payments.

Program 3—Low-priced stocks for large percentage growth.

Projects the Market... Advises What Action to Take... Presents and interprets movements by industry of 46 leading groups comprising our broad Stock Index.

Supply-Demand Barometer... plus Pertinent Charts depicting our 330 Common Stock Index, 100 High-Priced Stocks, 100 Low-Priced Stocks; also Dow-Jones Industrials and Rails from 1940 to date.

Dow Theory Interpretation... tells whether major and intermediate trends are up or down.

Essential Information for Subscribers... up-to-date data, earnings and dividend records on securities recommended.

Telegraphic Service... If you desire we will wire you in anticipation of important market turns.

Washington Letter—Ahead-of-the-News Interpretations of the significance of Political and Legislative Trends.

Weekly Business Review and Forecast of vital happenings as they govern the outlook for business and individual industries.

In February we announced our coming investment campaign—specifying stocks likely to be the most profitable opportunities since 1949.

You can share fully in these special selections which our subscribers have been waiting for—to be released as soon as the buying point is reached in the market turn now in the making.

In selecting securities to be recommended, we have weighed the realities of their present status and future prospects... emphasis was placed on hidden factors of financial strength—on foresighted and aggressive management—strategic position in their industry—technical progress—sustained earnings and dividend prospects ahead.

In addition... you will have the assurance of knowing that each security you buy on our advice is constantly supervised and you are told precisely **WHEN TO TAKE YOUR PROFITS**.

ENROLL NOW TO BE SURE TO RECEIVE THESE RECOMMENDATIONS

The time to act is now—so you will be certain to receive our recommendations as soon as issued, as the greatest profits are made at the beginning of a move.

Mail your enrollment today—with a list of your holdings. Our staff will analyze them and advise you which can be retained now with peace of mind—which are vulnerable and should be sold, thus releasing funds to buy our new recommendations at strategic buying prices.
